EyePlay™

An interactive gaming solution that combines intuitive human body motion with floor and wall spaces.

The EyePlay™ video game system turns any indoor area into a full blown virtual playground. It is based on a highly advanced gaming platform with motion activated games that everyone can play with their entire body. Multiple players can run, twist and dance, using their hands and feet to activate sounds and colorful graphics projected onto the floor.

- Fun, interactive solution
- 30 action & educational games
- 10 customisable game templates
- Simple & intuitive to use
- Wear & tear proof
- Easy & safe to play
- Encourages children to run, jump & interact
